If you have toys, clothes, books exercise equipment, etc., please get in touch with Gary Friedman to set up dates and time when you can drop it off at the shul. **You must arrange to drop off merchandise with me.** We are making specific times and dates for drop off goods. I will make sure someone will meet with you to take your goods off your hands. The telephone number to call is 516-208-6153. I will return your call if I do not answer at the time you calls.

You can also email me at icuoptycal@hotmail.com with your telephone number as well. We are also looking for several hard-working people to help the day of the sale. If interested let me know as well. We would like to get the merchandise within the next two (2) weeks. Thank you in advance for your donations.

If you have any antiques/value merchandise that you would like to sell yourself, we are renting individual tables for \$40.00.

Thank you

Gary Friedman
